Old Business:

1. Discussion was had about a member of the community wanting to change the name of the Doyle Twp park to honor a life long Gulliver resident who was a prisoner of War. Not all members of the board were comfortable with this. We discussed the fact that the property for the Gulliver Lake park was donated by the Calvertz family and that may be an insult to them. The Board agreed to give this some more thought and to reach out to the public for their input. After the holidays we will put an add in the paper to see what the public would like to see.

With no more business to be brought before the board, a motion to adjourn was given by Gloria Hansen at 5:26pm. Support was given to by Huebner. Motion carried.
